

IDRISS MOUADEN

ACADEMIC CURRICULUM VITAE

Córdoba, Spain | idmouad3@gmail.com | idrissmouaden.com

ORCID 0009-0007-7001-022X

ACADEMIC PROFILE

International Baccalaureate student and independent researcher focused on banking, financial systems, monetary economics and institutional analysis. Current research examines how collateral eligibility, asset encumbrance, pre-positioning and haircuts determine a bank's available funding.

EDUCATION

IES Medina Azahara | Córdoba

Expected completion: 2028

IB Diploma Programme in progress. ESO: cumulative average 9.11/10; final year 9.4/10.

INDEPENDENT STUDY IN ECONOMICS AND FINANCE

Monetary Economics, Banking and Valuation

2025 - Present

- Study economic theory, money and credit, business cycles and financial institutions through specialist textbooks and academic papers.
- Analyse bank balance sheets, asset-liability management, credit risk and regulatory capital; apply this work to company research and valuation models.
- Combine readings from Mises, Hayek and Choudhry with annual reports, regulatory disclosures and literature reviews organised in Zotero.

RESEARCH

Money, Collateral, and Bank Liquidity

2026 - Present

Institutional Pledgeability and the Transformation of Bank Assets into Funding Capacity

Independent working paper in progress.

- Develop an account of bank liquidity distinguishing asset saleability from the capacity to generate funding by pledging collateral.
- Formulate a dynamic collateral allocation model across funding channels with eligibility rules, haircuts, borrowing limits, execution delays and collateral lock-up.

Bank OZK Investment Report

2026

BYCIG Research | Equity research

- Analysed commercial real estate exposure, credit quality, funding and diversification into corporate and institutional banking using public disclosures.
- Developed an excess-return valuation with bear, base and bull scenarios, supported by P/E and P/TBV peer comparisons.

Synchrony Financial (NYSE: SYF) Investment Report

2026

BYCIG Research | Equity research

- Evaluated the business model, credit losses, deposit and securitisation funding, liquidity and capital adequacy.
- Built a dividends and buybacks valuation model across four scenarios and presented the proposal to the investment advisory committee.

EXPERIENCE

Brooklyn Youth Charitable Investment Group (BYCIG)

2026

Investment Analyst | Participation on pause since September

- Researched public companies, analysed financial disclosures and prepared proposals for committee review; participated in investment sessions and speaker events.

ADDITIONAL EXPERIENCE

Retail

2025 - 2026

Sales & Operations | Córdoba | Part-time

- Support sales, customer service, inventory organisation, replenishment, merchandising and checkout operations alongside full-time education.

SELECTED ESSAYS AND ACADEMIC COMPETITIONS

Cashlessness and Monetary Discretion

2026

John Locke Institute Global Essay Prize | Economics | High Commendation

- Analyse how the disappearance of cash changes monetary policy constraints, bank intermediation and institutional control over payments.

The End of Exit

2026

Cashlessness, Digital Identity, and the Collapse of Competitive Constraints on Power

Youth Liberty Prize | Submitted essay; no confirmed result.

- Examine cashlessness, digital identity, permissioned markets and institutional competition from an Austrian economics perspective.

Nations, States, and the Free Evolution of Social Order

2026

Cambridge Re:Think Essay Competition (CCIR) | Participant

- Explore spontaneous order, national identity, state formation and jurisdictional competition. Full text available on my personal website.

PUBLIC SPEAKING AND CIVIC ACTIVITIES

Torneo de Debate Educativo de Andalucía

2025 - 2026

Refutation Speaker | Two provincial editions

- Prepared evidence-based cases and delivered timed rebuttals, identifying unsupported premises and logical weaknesses in opposing arguments.

European Parliament Simulation

2026

Participant

- Participated in parliamentary debate, negotiation, amendments and voting on European policy proposals.
