INVESTMENT RESEARCH EXPERIENCE

Brooklyn Youth Charitable Investment Group (BYCIG)

2026

Investment Analyst | Student-managed educational nonprofit | Participation currently on pause

- Authored investment reports on Bank OZK and Synchrony, combining financial-statement and regulatory analysis with valuation and risk assessment.
- Bank OZK: built an excess-return valuation across 3 scenarios and P/E and P/TBV peer comparisons; assessed real estate concentration, credit quality and diversification.
- Synchrony: modelled dividends and buybacks across 4 scenarios, including a regulatory shock; assessed funding, liquidity and capital and presented the proposal to the advisory committee.

INDEPENDENT STUDY IN ECONOMICS AND FINANCE

Monetary Economics, Banking and Valuation

2025 - Present

- Study economic theory, money and credit, business cycles and financial institutions through specialist textbooks and academic papers.
- Analyse bank balance sheets, asset-liability management, credit risk and regulatory capital; apply this work to company research and valuation models.
- Combine readings from Mises, Hayek and Choudhry with annual reports, regulatory disclosures and literature reviews organised in Zotero.

FINANCIAL RESEARCH

Bank Liquidity and Contingent Funding Capacity

2026 - Present

Independent Research | Working paper in progress

- Develop a dynamic bank funding model incorporating collateral eligibility, haircuts, borrowing limits and execution delays.
- Examine how allocating assets between sales and collateralised borrowing affects a bank's capacity to meet payments under liquidity stress.

COMMERCIAL EXPERIENCE

Retail | Sales and Operations

2025 - 2026

- Work part-time in customer-facing sales, checkout operations, inventory organisation and replenishment, resolving day-to-day operational issues.

AWARDS AND ACTIVITIES

- John Locke Institute Global Essay Prize 2026: High Commendation in Economics for Cashlessness and Monetary Discretion.
- Refutation speaker in 2 provincial Andalusian school debate competitions (2025-2026); European Parliament simulation participant (2026).

EDUCATION
